

Partner Counseling and Referral Services for HIV Prevention

A Live Satellite Broadcast and Webcast
April 21, 2005 1:00 – 3:00 PM EDT

~ Resources Directory and Viewer Handout ~

Agenda for Satellite Broadcast

- Welcome and broadcast objectives
- Define the goals, purpose and context of HIV Partner Counseling and Referral Services (PCRS)
- Define the PCRS process
- Discuss techniques for delivering PCRS
- Identify the knowledge and skills required for PCRS staff
- Identify resources related to PCRS
- Panel response to faxed-in questions from viewers
- Announcement: Topic for HIV Satellite Broadcast scheduled for November 17, 2005 (1:00 - 3:00pm EST)
- **A 10-minute break is scheduled at approximately the midpoint of the broadcast**

Broadcast, Webcast, Videotapes, CD-ROMs, Flyers

- This webcast may be viewed on computers with Internet and RealPlayer through <http://www.phppo.cdc.gov/phtn> for up to one year after the airdate.
- Videotapes and Video CD-ROMs of CDC broadcasts may be obtained, while supplies last, by calling 866-366-7502. Closed-captioned videotapes are available.
- Flyers about current and future broadcasts may be obtained by (1) accessing CDC's HIV Satellite Broadcast Web site: <http://www.cdcnpin-broadcast.org>, (2) calling CDC's Fax Information System at 888-CDC-FAXX (for the flyer about today's broadcast, when prompted by the recording, enter document number 130039 and a return fax number); or (3) calling 866-366-7502 or 301-562-1095.

Technical Assistance and Fax Numbers

For technical (equipment) help during the broadcast or during the satellite test signal the day before airdate:

In the U.S.: 800-728-8232
In Canada: 404-639-1289

For general questions about CDC's HIV broadcasts/webcasts (other than about satellite reception): 866-366-7502 or 301-562-1095

To fax questions to the panelists on airdate only:

In the U.S.: 800-553-6323
In Canada: 404-639-0181
TTY (U.S.): 800-815-8152
TTY (Canada): 404-639-0182

To submit questions **after** airdate, please send e-mails to hivmail@cdc.gov.
